Advice for Students & Parents

Extra Curricular Club List

WHY JOIN A CLUB IN SCHOOL?

Joining a club in school is a great way to meet new friends, or attend with one or a group of your friends. You can be actively involved in something that will stimulate you, it will help develop your physical and emotional well being.

At our school we value and respect each student and our varied list of extra-curricular activities is evidence that there is something for everyone. If there is a club you would like to start speak to your form tutor.

At Wirral Grammar School for Boys you have the chance to participate in a wide range of activities from music/sport/films/gardening to name just a few. You will learn new skills in teamwork, leadership, responsibility and independence. These are very important life skills and ones that will take you through to your adult life.

Have a look through the club list and join up for an activity, have some fun!
