Parents' Views

Analyses of Parent Surveys and examples of responses to parents': 2018 / 2019

Dear Parents,

Many thanks again to all parents who completed one of our Parents' Evening Survey Forms in 2018 / 2019. Being asked to complete surveys can be a pain at the best of times which is why I am very grateful to all those parents who have done so over the course of the last academic year. The forms are issued at each of our year specific Parents' Evenings during the year and then we total them up and work out the average overall at the school year. The returns are higher than for most opinion surveys with a 45% return overall.

This booklet contains the analyses for each year group last year. This information, together with the written comments that some parents added have proved helpful in both monitoring parents' perceptions about our school and assisting with forthcoming developments.

You will see from the tables that the number of returns varied across the year groups. Clearly, the higher the return, the more representative the surveys are of parents' views. The last page shows the average parents of all year groups.

Each year we report on the previous year's survey outcomes while inviting a new round of survey responses; in this way we can monitor how perceptions change from year to year. No school is 'perfect' and we believe that any school, always has scope for further improvement.

On the basis of comments made in surveys over the last couple of years we have introduced a number of key developments that we hope that parents will welcome.

- In 2016 we improved our system for Parent Pay
- In 2015 /16 we brought school uniform sales in house to reduce the cost burden for parents which was becoming a growing concern
- In 2015 we introduced bag storage racks to provide a safer method of temporary bag storage at breaks and lunchtimes.
- In 2017 we changed the appointment arrangements for our GCSE Mock Results and Progress Review Day for Year 11 and following feedback we introduced a similar day for boys in Year 10.
- Our lost property service is now entering its fourth year and we are reviewing our arrangements with a view to adding more opening times during the week
- We have reviewed our system of Parent Mails with a view to reducing the volume and combining information into single emails. More information now goes into the Parent Newsletter which goes out every Friday so that parents are not getting their email in boxes full of school emails every day
- In 2018 we introduced a text alert system to notify parents when homework has not been completed; this was partly in response to requests for more immediate feedback

Once again, many thanks to those parents who complete surveys each year and I hope that you will continue to do so. Where parents include their names on survey forms and make written comments, we do always endeavour to reply directly.

We know that as a school we are far from 'perfect' and by proactively responding to parents comments we hope we can continue to provide a better service. Your support with this is very much appreciated.

Yours sincerely,

David Hazeldine
Headteacher
