

## Department: Spanish

### Sixth Form Information Event 2021 FAQs

#### **Question 1: Is there a lot of Homework?**

Answer: Homework is structured the same as GCSE, you get a Knowledge organiser per topic. This is formatted the same way as you are familiar with at GCSE and have to complete one week of tasks per week.

#### **Question 2: Is the gap between GCSE and A-Level big?**

Answer: No. At GCSE you have already been taught all of the tenses and A-level mainly consolidates these and is more so about learning about the culture and the Hispanic world.

#### **Question 3: How does the speaking exam work?**

Answer: Arguably, at A-Level speaking is the easiest element of the exam due to the fact you have control over what you talk about – it is your exam, so you guide it with your Individual Research Project.. You have to respond to a photo card and complete a presentation around a topic of your choice in relation to Spain and Spanish culture.

#### **Question 4: Is there any trips during the course?**

Answer: We go on 2 trips during the course, one of which to Granada and another to Madrid. Both year 12 and 13 Spanish students go on these trips alongside the girl school. This is Covid/ Brexit dependent!
