Entrance Criteria for WGSB6:

Priority for entry is given to existing students in the school. Each year the school welcomes a number of students from other schools. Places are offered after a visit to the school by a prospective student and their parent/carer and a meeting with the Sixth Form Team. There is no limit upon entry provided admissions do not prejudice efficient education.

As a guide, students typically enter the Sixth Form with a minimum of 6 GCSE grades at 9-5, or their equivalent, including English and Mathematics. Our prime concern is for students to embark on courses that are appropriate for their ability. A grade 6 or 7 is considered a solid starting point to continue a subject to A level. All requests for admission to sixth form are considered on an individual basis.

Students are expected to commit to the wider opportunities for enrichment, student leadership, challenge and broader ethos of the school. By default, this also means that anyone displaying less than acceptable behaviour (including attendance and punctuality) is not honouring this commitment and is potentially jeopardising their place in the Sixth Form
