WAYS TO SUPPORT

Oddballs from Non Uniform Day today

YOU'RE AMAZING! WE'RE NEARLY THERE!

With the generosity of support from all quarters we have **now completed the installation of new PCs in our DT classrooms rooms and IT suite IT1.**

Furthermore, we **have been able to order replacement PCs for the two remaining IT suites - IT2 and IT5.** Installation is scheduled for the end of May and end June respectively.

Thank you to all those who have contributed in whatever way possible. You have helped make this happen.

"These faster-working PCs have made a real difference - with improved capacity to run design software improving the learning environment."

— Mrs K Edmond, Teacher of Design Technology

FOCUS ON

Thank You dear lottery supporters

- Players have shared weekly **winnings totalling £6,000!**
- **With student numbers over 1,000 we would love to build upon this success, therefore.....**

**Our school community
PLAYER TARGET is :**

MATCH FUNDING - WBSC receives a fundraising boost!

WBSC fundraising recently received a Match Funding donation from one of our parent supporters who volunteered at our Christmas Fair. Their company have a Match Funding and made a **match funding donation equalling the amount raised at the stall where they volunteered**. What a great boost to WBSC fundraising! Our sincere thanks.

Please ask your employer "Do we have a match-funding scheme?"

Match Funding / Giving is when an organisation matches the amount an employee donates or fundraises for their chosen charity up to a set level. Does your employer have a scheme or would they be interested in setting one up?

More information and support to set up Match Funding is available from The Charities Trust (non-profit organisation to support companies and their charitable giving). Link here: [**Charitable Trust**](#)
