

## Congratulations!

If either your firm choice (or your insurance if you missed your firm offer) is marked **unconditional**, your place is secure. Make sure you check your emails (including junk mailbox) for info from the unis

## Want to Change Uni?

Discouraged at this stage, but if you are sure you want to apply to other unis, self-release into Clearing by using (NB this cannot be undone) the “decline your place” button. You can do this from July 5<sup>th</sup>. NB – if accepted on your firm choice, your insurance choice is automatically declined, so you have to contact them to see if they have space, if you now wish to go there.

## Place Confirmed

Universities may award the place, anyway, check your UCAS Hub application portal to see if your Firm or Insurance choice is marked as Confirmed (Unconditional).

## Alternative Offer

Your Firm/Insurance uni may make you an alternative offer (e.g. for a different course), which you can accept or turn down on Track

## Awaiting Decision

Your Firm/Insurance Choice may still be considering whether to award you a place, if you have missed the offer, contact them to find out if there is anything they need from you. You can “decline your place” to enter Clearing.

## Grades Appeal

The grounds for appealing grades are limited. Info on this will be sent separately.

## Appeal to University

You may be considered for an alternative course (e.g. foundation) at your preferred uni. Contact them if you’d like to see if this is possible.

## Retake Exams

You can re-take exams in the next academic year and re-apply through the next UCAS cycle.

## Clearing

If you still want to go to university, then you can use the Clearing process to find an alternative university place. See guide on Clearing and Clearing Plus.

## Unconditional Offer Holder

You are holding an unconditional place as your firm choice, and this has been marked as confirmed.

## Conditional Offer Holder Grades Met

You are holding a conditional firm or insurance place, and your place has been marked as confirmed.

## Exceeded Predicted Grades

Your summer grades are higher than those originally predicted on your UCAS application

**No Longer Want to Go to University**  
You have decided that you do not wish to go to university in this cycle.

## Withdraw

Use the “Decline your place” option to withdraw from your offer(s). NB this cannot be undone.

## Change Course?

If you want to go to the same uni but a different course, contact the uni to discuss this. There is no guarantee it will be possible, but you can ask.

## Congratulations

If either your firm choice (or your insurance - if you missed your firm offer) is now confirmed (marked as unconditional), your place is secure. Make sure you check your emails (including junk mailbox) for info from the unis

## Clearing

You *can* contact universities with higher entry requirements than your original predictions, to see if they have space. If they do and they say they would offer you a place, you will then apply through Clearing. Do NOT enter Clearing until you are sure you want to do this/have an offer from another university. Entering Clearing will lose your current offers.

If you decline your place, you can use Clearing Plus, which will automatically show you potential options.
