

GCSE Results Day Thursday 20th August 2026

Dear student,

I hope that you are enjoying a well-deserved rest after your GCSE examinations.

I would now like to provide some detail regarding arrangements for results day and enrolment in WGS6.

We very much hope that you will choose to continue your WGSB journey by joining WGS6; the following is a reminder of the terms of the conditional offer made to you via letter in autumn 2025.

As a guide, students typically enter the Sixth Form with a minimum of 6 GCSE grades at 9-5, or their equivalent, including English and Mathematics. Our prime concern is for students to embark on courses that are appropriate for their ability. A grade 6 or 7 is considered a solid starting point to continue a subject to A level. All requests for admission to sixth form are considered on an individual basis.

Results Day Arrangements.

The following details our results day and enrolment procedures.

On Thursday 20th August you are invited to arrive at school between **08:00am-10:00am** via the main school gate. Please make your way to the annex where you will collect your results from a member of the Examinations Team, before proceeding to the main hall for your 1:1 meeting.

After receipt of your results, **it is essential that all students have a 1:1 meeting** with a member of staff who will be able to offer support and guidance as well as confirm details of WGS6 enrolment.

Students have been allocated a 1:1 meeting with a named colleague as follows. This information will also be displayed in poster format in the annex/main hall on results day; **please do not leave the school site until you have had your meeting with your designated adviser.**

11 LJT: EKV 11RMC: RMC 11SEW: CJW 11ME: DW 11AWB: IPT 11NM: BT

Your 1:1 meeting will be the opportunity for you to discuss your GCSE outcomes and to confirm your A-level subject preferences. Any student wishing to change A level options will be able to do so on Wednesday 2nd September with Mrs Rogers, option blocks and class sizes permitting.

Any students unsure of their post-16 options should see Mrs Wilson for additional support and advice.

Any student or parent with additional questions or concerns will be able to speak to a member of the WGS6 team following their 1:1 discussion.

Parents/Carers are welcome to accompany students to this event but are politely requested to park off site and walk in where possible as there will be limited parking on site.

Please note, if your results do not fulfil our admissions criteria, we will discuss the details of this on results day, but it may be that we are unable to offer you a place or you may be placed on a reserve list pending further consultation.

If you are unable to collect your examination results in person, please ensure you have completed the Results Collection Proforma which is available from Mr C Hughes; this is also available on our school website: [here](#). If you are unavailable on results day, and therefore unable to attend a 1:1 meeting, it is important that you contact school / Mrs Ahern via email to discuss your situation.

If you require access to scripts to inform requests for remarks, this must be addressed urgently and by **Tuesday 25th August** at the latest. All requests have a cost implication, and fees must be paid by the student by the deadline provided by Mr C Hughes.

Appeals regarding grades and requests for re-marks will need to be discussed with Mr C Hughes as soon as possible, ideally on results day and no later than **Thursday 3rd September**.

For those successful in gaining a place at WGSB6:

On **Wednesday 2nd September 2026**, we will be holding an induction event 'Preparing for WGS6' which will provide an opportunity to find out more about sixth form life as well as offering you guidance on making the transition from GCSE to A-level study.

On this day, students are expected to arrive via the atrium or student entrance for 8:55am and make their way to the WGS6 area opposite the staffroom. The school day will finish at 3:40pm as usual. Please dress according to our WGS6 uniform policy, details of which can be found via the 'Dress to Impress' button [on this webpage](#).

In addition to three A-level subjects, a number of students may also be invited to study for the AQA Extended Project Qualification. This is a valuable qualification and can result in lower offers being made from universities; it is also a significant opportunity to develop independent study skills and pursue an academic interest which complements A-level study. More details about this will be shared in the autumn term.

If you have any further questions or concerns then please do not hesitate to contact your Head of Year, Miss Broadhurst via cbroadhurst@wirralgrammarboys.com

Questions or concerns regarding any aspects of life in WGS6 may be addressed to Ms Hall via ihall@wirralgrammarboys.com

We look forward to celebrating your results with you on Thursday 20th August.

A handwritten signature in black ink, appearing to read 'L. Ahern', with a stylized flourish underneath.

Mrs L Ahern

Assistant Headteacher/Head of Sixth Form
